

ERH LED Ceiling Light / High Bay Light

Gorgeous Lighting Co.,Ltd.

An NEW generation ERH LED Ceiling Light / High Bay Light, Flat in IP65 with lightweight, high Power, lower cost, high efficiency, fast installation and Multi Functions ofDali / UGR/ EMERGENCY / MICROWAVE SENSOR will launch into our selling system.

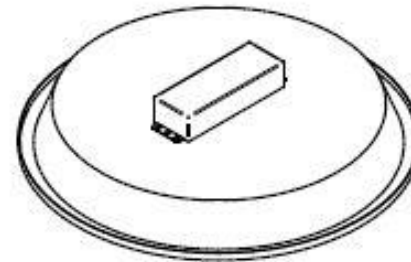

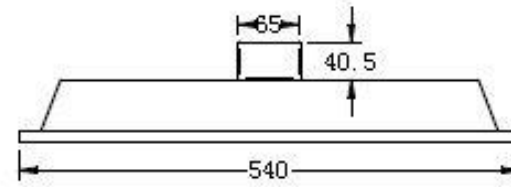

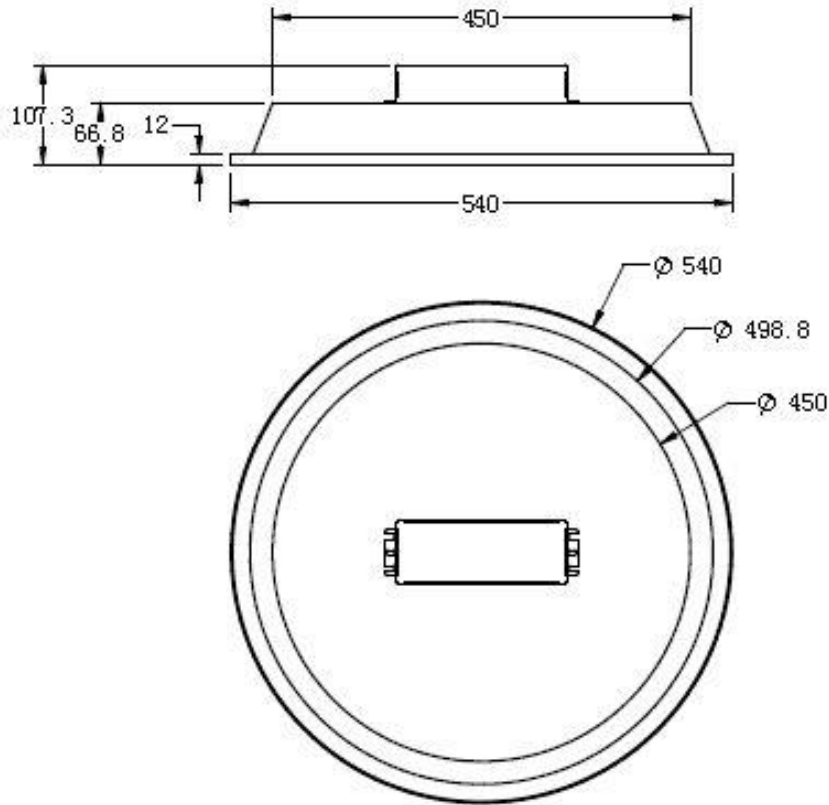

Appearance:

Wireframe: (Unit: mm)

Suitable for application:

Warehouse, Supermarket, Factory, Parking, Washroom

Product details:

1) From Optics summarized:

- Using Everlight and Edison 2835 for High efficiency output **at least 130lm/W**.
- When **UGR Less than 25** ,will have the 8% reduction.
- Beam Angle: 110degree normal. 90degree with UGR.

2) From Structured summarized:

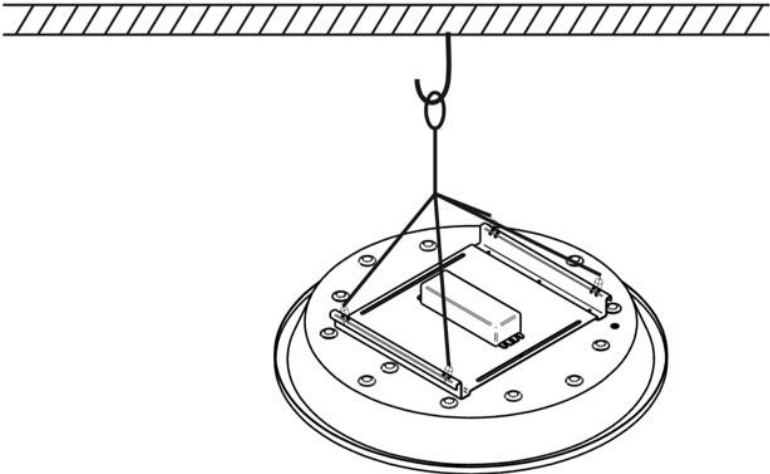

- **Full aluminum in stamping**. Thickness without spraying plastic: 1.5mm (in color of white).
- The diameter of the body: 550mm.
- Temperature rising: the temperature raising of LED soldering pad are 30-35centigrade under 160 wattage operation power.
- IP65 dust/water proof .
- Junctions box for Multi-input terminal.
- weight : 4.5kgs

3) From Driver Summarized:

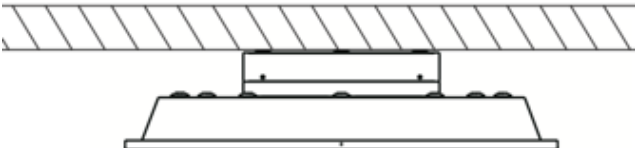

- Non-Isolated Driver in High efficiency **more than 95%**.
- High PF more than 98%.
- Multi-function of DALI /SWITCH dimming / microwave sensor / Emergency.
- Free-flicker
- Surge protection of 2KV or 4KV.

4) Installation type:

4.1 1 to 4 split out suspension cable

4.2 Ceiling mounted plated

Pricing Scheme:

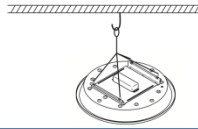

1) Standard edition

Size	OPTICS CHOOSE	Description	price/500 /PCS	diameter of the body/mm	Watt	Lumens@4000K/5000K	Eff/W	UGR<25
